

# Your Source for Technology Equipment Security!

## Company Information

D&D designs, manufactures and distributes products to physically protect computers, computer peripherals, AV equipment and office equipment from theft. D&D also supplies technology furniture, AV carts and AV mounts from several leading manufacturers such as Bretford, Chief and Peerless. Products are available on our website (www.ddsecurity.com) or via our toll-free sales office (800) 453-4195.

### NOTEBOOK SECURITY

Choose from a wide range of security for laptops and netbooks. D&D carries the largest selection of cables, lockers, carts and storage depots in the industry that are all available online!

### PC SECURITY KITS

D&D has a wide variety of anti-theft security products for protecting desktop, tower and Apple computer hardware. Kits can be keyed-alike or keyed-different with a master key.

### TECHNOLOGY FURNITURE

All available on piggyback contracts, D&D is your source for computer tables, AV carts and AV mounts. Choose from top-rated manufacturers such as Bretford, Chief and Peerless.

### AUDIO-VISUAL SECURITY

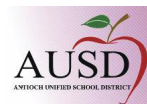

A wide variety of security solutions to protect AV equipment from theft. Our kits protect your data projectors, flat panel TVs, remote-controls and more.
