Written Assignment Instructions

You must also complete the following written assignments to purchase your unit of continuing education:

1. Describe the sessions you attended during the day, what you learned and how you plan to use what you learned in your own classroom. The paper should include the name of the presenter, what software or hardware was used during the session including grade level and subject area.
2. The CUELA Technology Fair addresses the use of technology for teaching and learning in the 21st Century. Describe your ultimate teaching environment for your classroom. Discuss what essential tools you would use for delivering instruction into your classroom. Why are the tools you've chosen essential? Elaborate on a typical day in your technology infused classroom

Send finished papers to Cathy Rodriguez, CUELA Board Member at:
